

MEASURE 4 EXPLAINED:

PROVIDES REFORM - Changes the *method* of local funding.

- ✓ No more unfair valuations or confusing mill levies.
- ✓ Locals can raise what they need above the state replacement amount with taxes or fees that are more transparent and fair to the citizens. FULL local control remains.
- ✓ NO loss of funding. No need to cut any service or staff.

PROVIDES RELIEF - Every year, the state will replace what you are now paying in property tax.

- ✓ You ONLY pay for future increased local needs, as determined locally.
- ✓ The state can easily replace the \$1B in property taxes annually without raising taxes or cutting services.

💰 **\$200M LEGACY FUND INTEREST**

💰 **\$600M OF EXCESS REVENUE OVER FORECAST**

💰 **\$200M LESS SPENDING ON CORPORATE WELFARE AND SPECIAL INTEREST PAYOUTS**

HOW IT AFFECTS YOU (*an example*)

2025 Tax for \$335,000 Home.....	\$3,953 Property Tax
2026 Tax <i>Without</i> Measure 4.....	\$4,135 Property Tax
2026 Tax <i>With</i> Measure 4.....	\$15/Month on Utility Bill (You keep \$3,953!)

END UNFAIR
